MILORD Premium Shampoo GOLD – Super Regeneration 500 ml

Specifically developed for intensive coat restoration and nourishment. Contains silk proteins, keratin, and essential oils of rosemary, melissa, and mountain pine. These active ingredients restore the natural properties of the hair, stimulate growth, ensure easy combing, and give strength and shine to the coat.

The shampoo effectively cleanses and tones the pet's skin, leaving the coat with a refined fragrance. Suitable for all breeds of dogs and cats.

Directions for use:

Dilute the shampoo with warm water in a ratio of 1:10, apply to the wet coat, lather, massage, and rinse thoroughly with water. Repeat the procedure if necessary. For the best effect, use the premium conditioner «GOLD – Super Regeneration» after washing.

MILORD Premium Conditioner GOLD – Super Regeneration 500 ml

Recommended for use after shampooing to enhance and maintain the restorative effect on the coat. Contains keratin, silk proteins, aloe vera, and melissa extract. Keratin nourishes and smooths the hair, silk protein improves hydration and manageability (detangles the coat), aloe vera nourishes and moisturizes, while melissa extract protects the pet's skin and coat. Regular use of the conditioner helps restore hair structure, significantly eases combing, and gives the coat an elegant fragrance. Suitable for all breeds of dogs and cats.

Directions for use:

After shampooing, apply evenly to clean, damp coat using gentle massaging motions. Leave for 2–3 minutes and rinse thoroughly with warm water. For easier application, the conditioner may be diluted with water in a ratio of 1:5.

FOR INTENSIVE COAT RESTORATION AND NOURISHMENT

SPA CARE FOR PETS WITH SENSITIVE / DRY / IRRITATED SKIN

MI LORD Leave-in Spray-Conditioner «NUMERO UNO» 300 ml

It is a professional product for coat care dogs and cats, suitable for use at home and in grooming salons. Significantly facilitates brushing and helps to quickly detangle matted hair (tangles). The spray conditions the coat, making it silky, smooth, and shiny. Contains active ingredients: creatine and panthenol to maintain the skin and coat in excellent condition. The spray has a delicate floral-fruity scent with notes of spices and citrus.

MI LORD Leave-in Spray-Conditioner «CANAPA» 300 ml

It is a professional product for coat care dogs and cats, suitable for use at home and in grooming. It significantly eases brushing and helps quickly detangle matted hair. The spray conditions the coat, making it silky, smooth, and shiny. It is also effective as heat protection during blow-drying, preventing overdrying. The included hemp seed oil intensely nourishes and hydrates the coat.

Directions for use:

For Severe Mats: First, wash the pet with shampoo and conditioner. Then, spray the detangling spray directly onto the matted fur. Comb through with a wide-toothed comb and dry with a blow dryer.

For Regular Maintenance: Spray the product onto the dry coat from a distance of 20 cm. If tangles are present, saturate them with the spray and gently work them apart with your fingers. Afterward, comb through the coat with a comb.

Directions for use:

Shake the bottle well. Spray onto dry or damp coat from a distance of 20 cm, then begin brushing and/or drying the coat. For matted areas, spray generously directly onto the tangle and separate with fingers or a comb.
